MMLIS LIM 503

Week #2 Item Level Dublin Core (DC) Exercise

Instructions: Download and complete the DC template using the elements on the left column. For elements that you do not think are applicable for the resource, please note **N/A**. For this exercise, please do not worry about syntax (":" "<" ">" etc.)

Resource: Gregory Crane. Georeferencing in Historical Collections. D-Lib Magazine, May 2004, Volume 10 Number 5. http://www.dlib.org/dlib/may04/crane/05crane.html

DC Element	Your answer populated here
Title	Georeferencing in Historical Collections
Creator (Last, First M.)	Crane, Gregory
Subject or keywords (Use controlled vocabulary LCSH for this exercise)	Digital Libraries, Cultural heritage, Data curation
Description (1-2 sentences, max. Either pull this from resource or develop on your own)	This article compares how different cultural documents—even when converted into a common language—describe space in very different ways. While space has an objective component, cultural practices of describing space naturally differ.
Publisher (Include organization name, city, state)	D-Lib Magazine, Corporation for National Research Initiatives (CNRI)
Contributor (This could be the same as **Creator**. If so, please add **N/A**)	Crane, Gregory
Date (yyyy-mm-dd, yyyy-mm, yyyy)	2001-05
Type (Use one of the following controlled vocabulary terms: text, image, sound, dataset, software, interactive, event, physical object)	Text
Format (Use controlled vocabulary from Internet Media Types; sometimes this element includes physical dimensions. Don't worry about that piece!)	http
Identifier (URI, URL, DOI, ISBN, ISSN...)	DOI: 10.1045/may2004-crane ISSN 1082-9873

Source (Could be a library call number; image from book; journal article, etc.)	Journal article
Language (Select a value from the three letter language tags from this controlled vocabulary ISO 639)	ENG
Relation (Related resource, if applicable)	
Coverage (Named period, date, or date range. For geographic names, use controlled vocabulary from Getty Thesaurus of Geographic Names)	1990s-2000s
Rights (URI, URL link to a copyright or other statement)	Copyright © 2004 Gregory Crane
